

Welcome to Greensboro's Watershed Trails System

General Trail Information

These trails are a perfect getaway close to home that provides miles of recreational enjoyment for everyone. Close to 50 miles of trails and greenways exist around the City's municipal reservoirs, and they provide wonderful opportunities to experience the joy of the outdoors.

The watershed trails are preserved in a primitive manner. Most trails are linear. Please be prepared to walk out and back along the same path from the trailhead you started. Restrooms are located at both marinas and in the parks during regular operating hours. Be sure to dress appropriately for the weather and plan your trip accordingly. To ensure an enjoyable experience you should bring drinking water, a cell phone and a map of your route. Please help us keep the trails and trailheads clean by packing out what you pack in. Parking is available at most trail entrances, but is limited in some areas.

Trail Rules and Etiquette

- No motorized vehicles, intoxicants, smoking, or camping is allowed
- No bikes on posted trails
- Avoid biking trails after rain event
- Bicyclists yield to hikers & joggers
- Pets must be restrained by a leash at all times
- Be considerate of others on the trail
- All cyclists are encouraged to wear helmets and everyone 16 years and under must wear helmet
- Stay on the trail for your safety and the protection of plants and animals

What is a Rescue Marker?

Located on the trail, these markers are used by Emergency Services to pinpoint your location if you sustain a life threatening injury while using the trail. Please take note of you location on the rescue markers in case of an emergency.

Certain Trails May Close Due to Wet Conditions

For instant information on closures, call 373-2MTB

Hours:

Trails are open sunrise to sunset unless otherwise posted
